

June 9, 2014

Jamie O'Neil  
Project Manager  
Tersano Inc.  
5000 Regal Dr.  
Oldcastle, Ontario CANADA NOR 1L0

Dear Jamie:

I am pleased to inform you that Green Seal has evaluated Tersano Inc.'s application for certification and determined that the following product complies with the requirements of the Green Seal Standard for Cleaning Products for Industrial & Institutional Use (GS-37) and with the requirements of the Green Seal Standard for Specialty Cleaning Products for Industrial and Institutional Use (GS-53):

Product Name	Product Code	Packaging Size
Lotus Pro Aqueous Ozone	As produced by Model LQFC225K/ LQFC825K	N/A
	As produced by Model LQFC225K/ LQFC425K	N/A

Accordingly, Tersano Inc. is authorized to use the Green Seal Mark in association with this product, provided that no changes are made in the way the product is manufactured or represented.

This certification remains valid until such time your product is no longer subject to a valid certification agreement, or that Green Seal has reason to believe, based on the results of our ongoing monitoring program or otherwise, that your product no longer complies with GS-37 and GS-53.

As a reminder, any use of the Green Seal Mark or reference to Green Seal needs to be approved by Green Seal and conform to the Rules Governing the Use of the Green Seal Certification Mark. Please forward all new or revised packaging or marketing materials to [certification@greenseal.org](mailto:certification@greenseal.org) for approval prior to production.

To get the most benefit from your Green Seal certification, we encourage you to contact a member of our Marketing & Communications department at [marketing@greenseal.org](mailto:marketing@greenseal.org). They can help support you in promoting and effectively communicating your certification with a range of graphics and tools.
